

To my fellow Patriots

I am trying to help people realize that it is very easy and simple to get people sponsoring new people from day one of watching the first FQA Intro video, even if you haven't gone through all the information yet. There is NO one out there like FQA trying to UNITE Christians with a game plan strategy working together for a common cause to take back America to God. This is it folks! But there are tens of millions of Patriots who feel as we do but they are discouraged and feeling alone. They are just praying and waiting on a FQA Eagle member to give them a call.

Please choose and check which membership you would like to commit to as you get started:

- Member:** Team-3 Sponsor 2 new people who get more info and education and take the Eagle Seminar
- Partner:** Team-7 Sponsor 7 new people who take the Eagle Seminar, continue education, learn the system.
- Leader:** Team-12 Sponsor 12 New People who take Eagle Seminar and continue with ongoing leadership training.

I am looking to personally sponsor my first 36 to people to sponsor in on the FQA Leadership Team. These are people who will commit to becoming at least an FQA Partner building a Team-7. From this group of leaders I will select my FQA Founding Board of 12 people. This is what would be required of FQA board members.

Founding Board to help launch FQA (7 month commitment through July 2019)
